

2016 ISPCAN Awards

Every two years, at each ISPCAN International Congress, ISPCAN recognizes individuals and organizations that have made a substantial contribution to child maltreatment. ISPCAN would like to congratulate the recipients of the 2016 Awards. The recipients were recognized at the 21st ISPCAN International Congress in Calgary, Alberta Canada are noted below.

C. Henry Kempe Lecturer

The C. Henry Kempe Lectureship was established in 1986 as a major feature of ISPCAN's international congresses. Following the example of Dr. C Henry Kempe, the individual selected to deliver the Kempe Memorial Lecture must have made significant contributions to the welfare of children and demonstrate significant teaching experience. In 2016 the C. Henry Kempe Lectureship was awarded to:

David Finklehor	United States
Pooja Taparia, ARPAN	India
Franziska Meinck	England

The Distinguished Service Award

The Distinguished Service Award recognizes an individual for his or her commitment and dedication to ISPCAN or to an ISPCAN Country Partner. In 2016 the Distinguished Service Award was awarded to:

Rajendra N. Srivastava	India
Lil Tonmyr	Canada
John Fluke	United States

The Multidisciplinary Team Awards

The Multidisciplinary Team Award recognizes a multidisciplinary team that has made a substantial progress in the treatment or prevention of child abuse and neglect in its local community. In 2016 ISPCAN was pleased to present two Multidisciplinary Team Awards:

The Los Angeles Child Death Review Team	United States
AFECTO	Colombia

Distinguished Career Award

The Distinguished Career Award recognizes an outstanding professional for longstanding dedication, expertise and contributions to the field of Child Abuse and neglect. In 2016 the Distinguished Career award was awarded to:

Marcellina Mian	Qatar/Canada
Francien Lamers-Winkelman	The Netherlands

The **C. Henry Kempe Award**, established in 1984, is presented every two years by ISPCAN to an outstanding young professional or organization working in any discipline in the field of child abuse and neglect.
